DESPATCHED.
4 JUNE 1936

From (Name) M.R.Ry. Dewan Bahadur B.Mahabala Hegde, Avl., B.A.B.L.,
(Designation) President, District Board, South Kanara

To The Secretary to the Government of Madras,
Local Self Government Department.
Madras.

Sir,

As directed in G.O.No.355 P.H., dated 20.2.1935, the maternity and child welfare centre at Karkal was closed from 1-4-1935, as it was not working in accordance with the instructions approved by the Government.

2. In G.O.No. 1659 P.H., dated 3-7-1935, Government were pleased to sanction the continuance of the centre at Karkal, subject to certain conditions laid down therein. But no action could be taken immediately as the District Health Officer reported that the Assistant Director of Public Health, Madras, wanted to draw up a maternity scheme for the District The scheme furnished by the Director involved heavy cost

P.T.O.

(Recurring Rs 5816/- and Non-recurring Rs 450/- per year) The Director of Public Health, Madras, and the District Health Officer, South Kanara, were informed that the -- Board was not in a position to consider the scheme on account of financial stringency.

3. As reported in my letter Ref.C.No. 13707-A4-35 dated 19-3-1936 the proposals of the District Health Officer for opening a centre at Karkal were sanctioned and they were approved by the District Board in its Resolution No. 136 dated 30-3-1936 (Copy enclosed). The midwife attached to the centre reported herself for duty on 16-3-1936. The centre has been supplied with the furniture and equipment prescribed by the Director of Public Health, Madras. The District Health Officer reports that his proposals have been approved by the Director of Public Health, Madras.

4. In this connection, I may bring to the kind - notice of Government that a maternity and child welfare centre in an area which has a Panchayat Board with a large income of about Rs 3297/- per annum seems to be a superfluity at a time when the finances of the Board are in a melting pot and the Board is forced to apply for a loan of Rs 75,000/- to meet the deficit in its budget. The question naturally arises as to why of all places, Karkal, should have this institution.

5. As this is an institution which is calculated to promote the health and convenience of people living in a Panchayat area, it is in the fitness of things that the Karkal Panchayat Board should maintain the institution under Rule I -A (2) (N) of Schedule V of the Madras Local Boards Act.

6. I request Government to pass such orders as they think fit and proper under the circumstances.

President.

To The Secretary to the Government of Madras,

Education and Public Health Department.

Sir, page 5 ante

Reference:- Your Memorandum No.3825-1El.P.H.dated 27-6-36.

I have the honour to offer herewith my remarks regarding the opening of a Maternity and Child Welfare Centre at Karkal,South Kanara district.

The policy approved by Government is that rural centres should be under the administrative control of the district board. The advantages of this arrangement are many.

The District Board would be interested in the scheme as a whole for the district and would be ready to sanction staff, which owing to limited finances, must be

common to more than one centre in the district. The Woman Medical Officer (Maternity and Child Welfare) and Health Visitors are instances of such staff.

The District Health Officer being in general charge of the work according to G.O.No. ~~2914~~ 2574 P.H. dated 29-10-1934 could transfer staff according to needs if they were not purely under the local panchayat board. Experience during many years in the past has shown that the Panchayat Board management of a centre has not stood for progress and departmental officers have been able to achieve little in these isolated centres which would increase in number in this district, if the precedent were once allowed.

The District Board has besides at Karkal, other rural midwives whose work is in need of urgent improvement. I have already brought this to the notice of Government in my letters R.No. 1284-6-M/ dated 7-2-36 and R.No. 1053 dated 28-10-35. At present the District Board is inclined to ignore the need for improvement of the work of these midwives. I am ~~strictly~~ Strongly of opinion that work in this district should move as a whole under the district board and not under individual panchayats and most of which are ineffective.

To meet the financial difficulty the District Board is labouring under the Panchayat Board may be requested to pay a contribution towards cost of this work to the DistrictBoard. This arrangement has been made in Coimbatore district where the work has been successfully carried on for nearly four years.

I have the honour to be,

Sir,

Your most obedient servant,

Lieut.Col.I.M.S.,
Director of Public Health, Madras.
